## DEAN'S LETTER

### In Pursuit of Life's Passion

*5 Trust in the Lord with all thine heart; and lean not unto thine own understanding.  
6 In all thy ways acknowledge Him, and He shall direct thy paths.  
~ Proverbs 3:5-6 (KJV)*

I grew up in a General Conference Mennonite Church. I make that remark because that meant that the music in our services was provided and accompanied by the organ. That's in contrast to most Mennonite Churches in Lancaster County. At some point in my early years the sound of the organ became appealing to me, but I thought, "Well, that's something I'll probably never do." As I grew, I always loved hearing the organ. I started piano lessons in third grade, but by eighth grade I stopped in order to work pumping gas at my dad's gas station, however, I did continue to play on my own. The real opportunity came when I was 24 and our organist retired. I was asked to consider playing which I did and started lessons and even bought a console organ with the 25 pedals.

A few months back, Jenny Fritsch handed me an article that her late husband, Rick, had saved from Family Circle magazine from May 2004, pages 28-30. She intended to pass it along for someone to respond to and that finally happened when the Board met at her house and the article was conveniently handy. It was titled, "In Pursuit of Life's Passion" by Katrina Kenison.

Katrina writes about her young son's choice to study organ. In seventh grade and writing in a journal required by his teacher, he chose to write about choices. That fact was his dad and mom have made most choices

*(Continued on page 2)*

for him. This year, for the first time, some of those choices would be falling to him. Would he play soccer along with nearly every boy in his grade or would he forgo the team and take organ lessons instead? Should he ski on Thursday afternoons with his classmates, or use that time for music practice? Should he drop his cello and concentrate on organ and piano, or should he juggle all three? And the choices continued. What he chose would have a big impact on his life, then as a young boy and later as an adult.

This is the "Year of the Young Organist." I'm wondering what choices and perhaps challenges are "our young organists" facing? How can we encourage them to feed their souls, work at things that matter, how to bring shape and meaning to their lives? Perhaps, high up in the organ loft, they are hearing a call - a call to be true to themselves, to choose well, and say "yes" to the challenges ahead.

*2 All the ways of a man are clean in his own eyes; but the Lord weigheth the spirits.*

*3 Commit thy works unto the Lord, and thy thoughts shall be established.*

*~ Proverbs 16:2-3 (KJV)*

- Greg Gehman, *Dean*

## CHAPTER PROGRAMS

---

### MARCH MEETING

#### The Blind Organist of Notre Dame: Louis Vierne

March 20 will be an important date for our chapter -- the long-awaited program on the life of Louis Vierne. This program was originally scheduled for the spring of 2020, to commemorate the 150th anniversary of Vierne's birth. However, the appearance of the coronavirus necessitated our rescheduling this program several times. Here it is, two years later than originally planned, but largely intact. This program will feature a combination of narration, slides, and the music of Louis Vierne. Chapter members who are playing include Mark Herr, Deb Berdos, Ross Ellison, Chris Prestia, John Zielinski, and Margaret Marsch. Music for harmonium, organ, and piano will be featured, including several movements from Vierne's organ symphonies and his

beloved Carillon de Westminster. This wonderful program will take place at 4:00 p.m. on Sunday, March 20, at Lititz Church of the Brethren. Their large 4-manual Gundling/Walker instrument will serve well to showcase Vierne's organ music. The program is open to the public, and we encourage all of our chapter members to attend as well as to promote this program in their respective churches. A \$10 donation is suggested for enjoying the presentation.

**See the end of this newsletter for a full-size, printable poster of this event that we encourage you to post at your places of worship and/or to distribute within the community.**

## PROGRAMS CONT'D

---

### APRIL MEETING

#### Silent Movie Night with Don Kinnier

April's meeting will provide us with a different perspective of organ playing. Don Kinnier will be accompanying a silent film on First Church's Mohler pipe organ. Don will be accompanying the silent film, "Sherlock, Jr.," starring Buster Keaton and Catherine McGuire. The film runs 45 minutes. It is a romantic comedy, made in 1924, and features some of Keaton's best visual trickery. The film will be followed by a discussion about playing for silent movies - what goes into turning the action that you see into music that you hear. The date is Friday, April 22 at 7:00 pm. First United Methodist Church is located at 68 North Church Street, Ephrata. We hope by then that First Church's organ will no longer be "under arrest" - see picture.

*(Don explains, "The slide in the picture was the first illustration for the Pastor's sermon on the importance of rest (as in the Sabbath, but also rest in general). The techies were checking the slides for the day and that was on the wall when I got there to play for church.")*

---

## UPCOMING

---

### FOR YOUNG ORGANISTS

*There are two upcoming events planned for young organists. Contact local organ teacher and Lancaster Chapter Member, Margaret Marsch, to sign-up or for more info. Her contact information is below.*

- 1. Open Console Day at Longwood Gardens—Sat., April 23 is Open Console Day at Longwood Gardens - young organists can sign up to play for five minutes on the massive Longwood organ. Let me know if you're able to do this as I'd like to sign us all up in a block if possible. I believe Longwood entrance is \$16 for students, \$22 for adults.*
- 2. Atlantic City Boardwalk Hall Auditorium Organ Tour—Rudy Lucente, the Longwood organist who will do the registration on the Longwood Organ Day, has also offered to give us an inside tour of the humongous Atlantic City Boardwalk Hall Auditorium Organ. This is the largest pipe organ in the world with 7 manuals, and over 33,000 pipes, including a full 64' rank! I'm hoping this will be a Saturday in June. He's checking with the staff there to give us a date.*

*These are some pretty nice opportunities for our young organists!*

*Margaret Marsch*

## IN OTHER NEWS

---

### **Pipe Organ Encounter Plus (POE+)**

Registration is now open for the **Pipe Organ Encounter Plus (POE+)** hosted by the Lehigh Valley Chapter AGO. The dates are **June 12-17**. It is open to keyboard players 19 and older who want to play the organ or currently play the organ in a church or synagogue. This is a rewarding opportunity to learn about the pipe organ and its construction, receive instruction from experienced faculty, visit, hear and play outstanding instruments, and meet and interact with peers who share an interest in the King of Instruments. Participants should have achieved an intermediate level of keyboard proficiency. Previous organ study is not required. AGO membership is not required. All are welcome! This POE+ takes place in the Allentown, PA area with housing and meals on the campus of Muhlenberg College in Allentown. Rooms are single occupancy and hotel accommodations are possible as well as commuting. A brochure is available at [www.lvago.org](http://www.lvago.org) under the **POE+** heading. More information including pricing and steps for registration will be found there.

---

## WELCOME TO NEW MEMBERS!

---

*A warm welcome to the following new or returning members:*

**None to report this month.**

---
