## DEAN'S LETTER

### SINGING SONGS IN SEPTEMBER

*"Let the word of Christ dwell in you richly in all wisdom; teaching and admonishing one another in psalms and hymns and spiritual songs, singing with grace in your hearts to the Lord." ~ Colossians 3:16*

Many of us are Church musicians playing the organ for the worship service - prelude, responses, Psalm singing, offertory, hymn accompaniments, choral/solo accompaniments, postlude, (and probably more), but do we know the most important task assigned to us out of that list? Yes, it is playing the hymns! (I'm sure we knew that.) At our March meeting this past spring, Frank Dodd reminded us of that when he said, "Every hymn we play is an opportunity to preach! That is our chance to not only invite the congregation to sing, but to do so heartily."

This September your Program Committee has organized, as our opening event, a picnic and officer installation followed by a community hymn sing at Memorial United Methodist Church in Quarryville. I am digressing here as I ask you to please note Ross Ellison's appeal, later in the newsletter, for players for that service. You may select a hymn or be willing to play some impromptu favorites. Here is your opportunity to expand your hymn playing skills.

In Frank's March meeting, he referred to Methodist John Wesley's "Directions for Singing" (1716). As September's meeting is in a Methodist Church, I am listing them here to encourage us and them in our singing.

***That this part of Divine Worship may be the more acceptable to God, as well as the more profitable to yourself and others, be careful to observe the following directions:***

- 1. *Learn these Tunes before you learn any others; afterwards learn as many as you please.*

(Continued on page 2)

- II. *Sing them exactly as they are printed here, without altering or mending them at all; and if you have learned to sing them otherwise, unlearn it as soon as you can.*
- III. *Sing All. See that you join with the congregation as frequently as you can. Let not a slight degree of weakness or weariness hinder you. If it is a cross to you, take it up and you will find a blessing.*
- IV. *Sing lustily and with good courage. Beware of singing as if you were half dead, or half asleep; but lift up your voice with strength. Be no more afraid of your voice now, nor more ashamed of its being heard, than when you sung the songs of Satan.*
- V. *Sing modestly. Do not bawl, so as to be heard above or distinct from the rest of the congregation, that you may not destroy the harmony; but strive to unite your voices together, so as to make one clear melodious sound.*
- VI. *Sing in Time: whatever time is sung, be sure to keep with it. Do not run before nor stay behind it; but attend closely to the leading voices, and move therewith as exactly as you can. And take care you sing not too slow. This drawling way naturally steals on all who are lazy; and it is high time to drive it out from among us, and sing all our tunes just as quick as we did at first.*
- VII. *Above all sing spiritually. Have an eye to God in every word you sing. Aim at pleasing him more than yourself, or any other creature. In order to this attend strictly to the sense of what you sing, and see that your Heart is not carried away with the sound, but offered to God continually; so shall your singing be such as the Lord will approve of here, and reward when he cometh in the clouds of heaven."*

*"O come, let us sing unto the Lord: let us make a joyful noise to the rock of our salvation." ~ Psalm 95:1*

- Greg Gehman, Dean

### **Dear AGO friends,**

Let me welcome you to share in the memorial service for Carolyn, my beloved wife of nearly 60 years. The service begins at 2 p.m. on Saturday 25 September at Grace Lutheran Church, North Queen & James, with a half-hour prelude starting at 1:30 p.m., to include music performed by our daughters Cindy & Susan and myself and with Dara Burkholder Morales, former student with Carolyn, daughter of our member Donna Burkholder, and now Assistant Principal of the Violin II section of Philadelphia Orchestra. Dr. David McConnell of Grace Church will accompany Dara, play the service, and direct those of the choir able to be present. All baptized Christians are welcome to receive Communion with us. It is likely that, by that time, the pastor will wish everyone to wear masks, especially when singing. Carolyn chose some great hymns for her service. :-)

If you park in the city parking garage at 424 North Queen, a half-block from the church, please ask your usher at the church for a parking ticket to use along with the ticket you receive at the garage, to cover the cost of parking.

I'll miss Carolyn 'till my own dying day, but she is at peace. Therefore I am also at peace.

- Karl Moyer
